

PROCTOR

STANLEY M. PROCTOR COMPANY

DISTRIBUTORS OF HYDRAULICS, PNEUMATICS, MEASUREMENT, INSTRUMENTATION & CONTROL

330-425-7814 • www.stanleyproctor.com

Products, Services & Solutions — Depended on Since 1955

PRODUCTS, SERVICES & SOLUTIONS

HYDRAULIC, PNEUMATIC, MEASUREMENT, INSTRUMENTATION & CONTROL

CUSTOM PRODUCT SOLUTIONS BUILT IN-HOUSE

- **Hydraulic Power Units** - From small space units to components that deliver operating pressures up to 60,000 psi and unlimited flow rates
- **Test Stands & Benches** - Custom configurations of test stands and benches
- **Control Panels & Assemblies** - Gas booster assemblies, pressure control panels, pressure regulator/hose assemblies and electrical control panels
- **Machine Guarding and Aluminum Framing Systems** - Perimeter guards, integrated machine guards, safety enclosures, sliding doors and windows

NICKEL PLATING SERVICES

- For hydraulic motors and other components used in industries with wash-down applications and other corrosive environments

REPAIR SERVICES

- Reliable component repairs performed in-house or at our manufacturers

FACTORY CERTIFIED HASKEL REPAIR CENTER

- Specialized in-house repairs of Haskel air-driven liquid pumps and gas boosters

TESCOM REGULATOR REPAIRS

- In-house repairs of Tescom pressure reducing and back pressure regulators

ENGINEERING & TECHNICAL SUPPORT SERVICES

- System design, builds and testing
- 2D or 3D CAD drawings
- Schematics
- On-site troubleshooting & consulting services
- Training
