

Sauer Compressors **USA**

YOUR CNG SOLUTION

Dependable up to 7,000 psi - anytime, anywhere, anygas.

High-Pressure CNG Compressors

At the heart of every CNG system stands the high-pressure compressor. Sauer CNG compressors and boosters are specially designed for natural gas applications and represent the most efficient and safe solution for CNG systems.

- Built and designed for continuous operation under heavy duty conditions
- Proven in the most demanding conditions in industry and offshore applications worldwide
- Available as part of a CNG systems or as single units for OEM companies and packagers

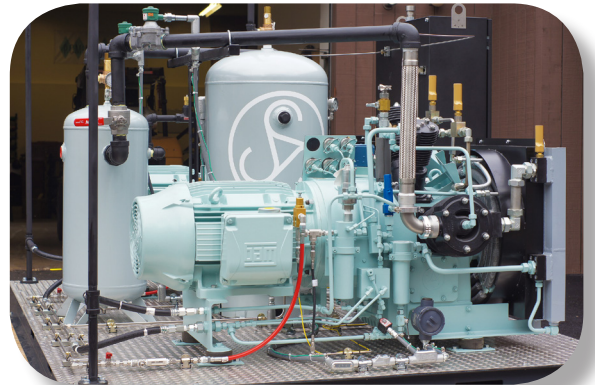

Custom Engineered Solutions

State of the Art Designs

- Direct drive
- Long intervals between routine maintenance
- Cooling and condensate separation after each compression stage
- Low compression temperatures
- Ambient operating temperatures ranging from -20°F to 130°F (50°C)

Innovative Solutions

- Compressor blocks for OEM partners
- Electric motors
- Natural gas and diesel driven engines
- Explosion proof electronics
- Skid mounted packages
- Modular compressor packages
- Weather enclosures
- Sound enclosures
- Storage tanks

After Sales Support

- Lifetime Warranty available on all compressors
- Qualified service technicians available 24 hours a day, 7 days a week
- On-site startup
- Fully staffed engineering team
- Service contracts available
- In stock spare parts for fast delivery
- Service training programs

Model	Gas Outlet Pressure	Flow Rate	Rated Power
-------	---------------------	-----------	-------------

//// *Passat*

WP156L BasSeal	640 psi	Up to 101 scfm	Up to 60 HP
WP276L BasSeal	640 psi	Up to 153 scfm	Up to 75 HP
WP316L BasSeal	640 psi	Up to 211 scfm	Up to 115 HP

//// *Tornado*

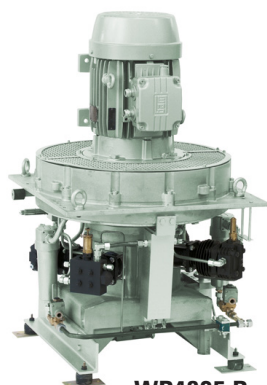

WP4325 BasSeal	4351 psi	Up to 14 scfm	Up to 20 HP
----------------	----------	---------------	-------------

//// *Hurricane*

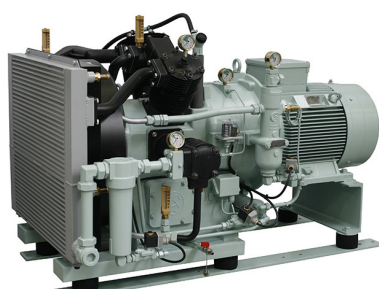

WP4331 BasSeal	5000 psi	Up to 30 scfm	Up to 25 HP
WP4341 BasSeal	5000 psi	Up to 50 scfm	Up to 40 HP
WP4351 BasSeal	5000 psi	Up to 95 scfm	Up to 75 HP

//// *6000 series*

WP6000 Series BasSeal	5000 psi	Up to 470 scfm	Up to 300 HP
